20. A. cut off      B. gave in      C. led to      D. brought up

### III. 閱讀測驗 每題 2 分 (10%)

Book: "Look up, It's better Up There"

Author: Henry Jacobson

Genre: Personal Self-help

Rating: ★★★★★

This book, as you may gather from the title, is brimming with optimism, to say the least. Jacobson, as in his other three efforts, has no shortage of positive things to say. The common message in all of his volumes is: "Believe and you shall receive." That means, if you continually think and believe that good things will happen, they will. The concept of faith is paramount in Jacobson's latest book, and although some will argue that he is living in a dreamland, I feel his messages relate very closely to reality.

"Look Up, It's Better Up There" will not only keep the reader's attention, it will enlighten them as to how simple it is to be happy. Jacobson offers step-by-step instructions to help readers overcome depression. He focuses on the human spirit and

how powerful it is. He preaches the merits of ridding oneself of desire. He offers so much in this one little book. Everyone really should take the time to read it. It won't take more than a handful of hours to read, but if you pay attention, it may just improve the rest of your life.

21. What does the reviewer think about the book?

- A. He believes it is worthwhile.                      B. He thinks it is average.  
C. He doesn't think it is realistic.                D. He doesn't like it.

22. How many books has Henry Jacobson written to date?

- A. One            B. Two            C. Three            D. Four

23. What is the main message of the book?

- A. Don't look down.                                      B. Think positively  
C. Live in a dreamland.                                 D. Focus on spirituality.

24. What does Jacobson offer in his book?

- A. Coupons for the next book.                      B. Signed photos and autographs.  
C. Tips to get rid of depression.                 D. Instructions to the bookstore.

25. What does the reviewer suggest this book might do for you?

- A. It will make your life better.                      B. It will show you how to get promoted.  
C. It will help you understand stress.             D. It will help you lose weight.
